

YOUTH HUB NETWORKSHOP

Managing Groundwater for a
Sustainable Future

World Groundwater Congress
IAH2024 DAVOS
Switzerland
Interacting
Groundwater 8.-13.9.2024

Join the Networkshop at the **IAH World Groundwater Congress** for an exchange among experts and young peers.

OUR AIMS

Provide the young generation of groundwater enthusiasts with:

- insights into what a career in this field could look like
- an intergenerational exchange of ideas between young and experienced professionals
- engagement with experts from four different sectors : private, public, research, and an NGO to discuss significant groundwater case studies

TARGET AUDIENCE

Early career and students attending the IAH World Groundwater Congress 2024 in Davos, on the **Focus Day Groundwater for Humanitarian Aid and SDG**

REGISTER NOW FOR FREE!
